

REPORT ON BARGAINING

**HELP Homes Bargaining Unit
Tentative Agreement Reached**

June 15, 2006

HELP Homes and SGEU reached a tentative settlement of the Collective Agreement on May 24, 2006.

SGEU has provided a draft Memorandum of Agreement to the management negotiating committee. After management approves it, we will call a membership meeting to review the Memorandum of Agreement and vote on it.

We hope to be able to do this by the end of June.

The bargaining committee will be recommending acceptance of the memorandum.

In Solidarity,

Gail Tiefenbach, Chairperson
HELP Homes Negotiating Committee
