In April, you received a bargaining report containing a brief update on our negotiations with the Saskatchewan Cancer Agency and informing you that we would be holding membership meetings in May.

In that report, we told you we planned to meet with the Bargaining Committee (all the stewards at the Cancer Agency), on May 10th. At that meeting, we discussed the lack of progress at the table and how to move negotiations forward. We have decided that the best option is to come to the membership and request a strike mandate.

Therefore, we will be holding a vote at the upcoming meetings.

There will be two meetings: one in Saskatoon and one in Regina. At the meetings, the Bargaining Committee will give an update on bargaining, and answer any questions you have. **Voting will be held at the same time at the same locations:**
