

Saskatchewan Liquor and Gaming Authority Bargaining Unit

Your New Collective Bargaining Agreement

2010 and beyond ... What do you want to see?

What improvements would you most like to see? Complete this brief questionnaire and your Union's Negotiating Committee will use the information while developing our initial proposals, and during our negotiations. Don't worry, individual responses will be kept confidential and retained by the Negotiating Committee.

On the next page, we've listed some of the issues we anticipate you'll want to see improved or introduced during negotiations. Let us know which are of the greatest importance to you by rating the importance of each item using the following scale:

- 1 = very important
- 2 = somewhat important
- 3 = less important
- 4 = not important

Please provide us with some explanation in the lines provided for each item, on the ways in which you would like to see changes implemented or improved for each rating. Or, let us know if you are happy with the current provision.

We've left some panels for you to suggest, rate and elaborate on any other items you would like to see changed, negotiated in, or out of, your collective agreement. If you need more space, please attach an additional document with your outlined issues. We have also included an area for you to request changes to a specific article and the reason for the requested change. Please add additional documents in similar format if required.

****Submit your response by January 29, 2010 and you will be entered into a draw! One ipod and 6 SGEU gift certificates will be awarded!***
