Scholarships and
Bursaries Directory
2023
for Post-Secondary
and Labour Education**

The logo for the Saskatchewan Government and General Employees' Union (SGEU). It consists of the letters "SGEU" in a bold, white, sans-serif font. The text is positioned on a yellow-to-orange gradient background that is part of a larger vertical bar on the right side of the page. Below the text, there is a solid red rectangular block.

Greetings!

In the labour movement, we recognize the vital importance of education to a healthy and prosperous workforce.

However, we also know that post-secondary education is out of reach for many middle-class families due to increased tuition costs, the growing privatization of post-secondary schools, and the fact that wages have not grown to meet the rising cost of tuition. Students are required to take on more debt, and many have had to make the hard choice to opt out of advanced education simply because they cannot afford it.

To help with the high cost of education, our unions, locals, and affiliated organizations provide a wide range of scholarships for students connected to SGEU.

In this directory, you will find post-secondary awards, scholarships, and bursaries valued at over \$60,000. Union activists who want to pursue labour studies opportunities have access to funding valued over \$20,000.

I am proud to say that, along with fighting for a strong public education system, SGEU is committed to supporting our members and their dependents in their pursuit of lifelong learning. Please share this directory far and wide.

In solidarity,

A handwritten signature in blue ink, appearing to read 'Tracey Sauer', with a long horizontal flourish extending to the right.

Tracey Sauer
President

P.S. SGEU sectors, locals, and other labour-related organizations that wish to publish their financial aid information in future directories may contact the SGEU Education Officer at educate@sgeu.org before March 1 of each year.
