

Your Bargaining Update
June 17, 2026

Dear Member,

The health provider unions met with SAHO from June 8 to 12, 2026 to continue collective bargaining discussions.

Discussion on monetary issues have not progressed. The employer continues to tie wages to agreement on their key priorities:

- Movement of work and workers; and
- Contracting in and out.

The employer refined their proposals regarding the movement of work and workers, but the revised language lacks necessary detail. The health provider unions are developing a collaborative strategy with timelines to move us to the next stage of bargaining.

Upcoming bargaining dates are scheduled for:

- June 22 to 26, 2026; and
- July 6 to 10, 2026.

We will continue to update you as bargaining moves forward.

In solidarity,

On behalf of your bargaining committees,
