Coverage options to best meet your needs and family budget

**Critical
Illness**

Life

**Accidental
Death and
Dismemberment**

**For ~~what~~ who
matters most.**
protectionplusbenefits.ca

Protection Plus Benefits will be available after February 29, 2024 at special low rates but you will have to answer medical questions for all coverage amounts.

**To be eligible for these benefits you must be a permanent full-time or permanent part-time employee. Coverage terminates at age 70. Rates are organized in five-year age brackets (e.g. 30-34, 35-39). Your rate will change on the first day of the month after you reach the next age bracket. On occasion, Blue Cross Life introduces slight rate adjustments due to market conditions.*
