

HEALTH PROVIDERS bargaining update

Dear members,

Your SGEU Health Providers Negotiating team just completed their first, three-day bargaining session with the Saskatchewan Association of Health Organizations (SAHO) on Thursday, October 5. In this session, we exchanged proposal packages and had the chance to ask and answer clarifying questions. We will continue to review SAHO's proposals as we prepare for our next bargaining session, which is scheduled to be held November 28 to 30, 2023.

Your support and solidarity give us strength and drive us as we push our SGEU Health Provider members' needs forward. We will continue to keep you informed as negotiations continue, so stay tuned for further updates.
