SGEU's Professional Services negotiating committee has reached a tentative agreement with the Saskatchewan Institute of Applied Science and Technology (SIAST).

The union negotiating committee is making arrangements to take the tentative deal to its membership for ratification. "I will be sharing the details of the tentative agreement with SGEU members at the ratification meetings", says Terri Hamill, chairperson of SGEU's Professional Services SIAST negotiating committee.

Details of the ratification meetings will be posted at a later date.

The 675 members of the Professional Services bargaining unit provide administrative, clerical, financial, IT and other support services at SIAST campuses in Saskatoon, Regina, Prince Albert and Moose Jaw.
